

CALL FOR EXPRESSIONS OF INTEREST CONSULTANCY SERVICES FOR CREDIT MARKETS DIAGNOSTIC, TANZANIA

FSD Africa (FSDA) in partnership with FSD Tanzania (FSDT) and in collaboration with CGAP and the Centre for Affordable Housing Finance (CAHF) wishes to engage a consultant or firm to conduct a Credit Markets Diagnostic in Tanzania. The diagnostic is primarily intended for the Bank of Tanzania who supports and will be involved in key aspects of the project.

The objective of the project is to produce a comprehensive analytical report on the size and profile of Tanzania's credit markets. It will cover all credit providers (both bank and non-bank), all credit product types and all key categories of credit user. This is intended to enable the Bank of Tanzania and other policy makers to identify potential weaknesses, risks and areas of development within Tanzania's credit markets and to assist them in formulating effective policy and regulatory responses to overcome identified weaknesses, mitigate risks and drive appropriate growth.

FSDA and FSDT invite eligible consultants and/or firms to indicate their interest in conducting the diagnostic. Interested consultants must provide the following information:

- Name of individual(s)/firm and place of business
- Contact information (email, skype)
- A short description of your individual/firm expertise in relation to the Project scope, including description of similar assignments undertaken
- A short description of the manner in which you propose to perform the assignment
- CVs of key team members proposed, tailored to the assignment (maximum 3 pages each)
Note - the inclusion of CV/s that demonstrate local participation/partnership is encouraged
- Daily rates, location (city, country) and availability in early 2017 for all team members proposed

Full details can be obtained from our website www.fsdafrica.org (quick links - calls) and FSDT's website: www.fsd.tz. EOIs should not exceed 5 sides of A4 (excluding CVs and firm profiles). Consultants may associate with other individuals/firms to enhance their qualifications. EOI submissions should be sent by email to info@fsdafrica.org under a subject line reading 'Expression of interest: Tanzania Credit Market Diagnostic'. Questions or comments in respect to this EOI should be directed to juliet@fsdafrica.org no later than Monday 19th December 2016.
